**We Make Lives Better. Every Day. Will You Help Us?**

# Why your support matters

Alphapointe is a national non-profit organization dedicated to empowering people with vision loss to achieve their goals and aspirations.

We are simultaneously one of the nation's largest employers of people who are blind as well as one of our country's largest providers of comprehensive rehabilitation services for people with vision loss.

Every year, we provide these critical services to thousands of people of all ages. All proceeds from the event directly benefit Alphapointe's youth programs and hundreds of children annually.

**We thank you for your support – it means the world to us  
and to the children we serve.**
